

Here are the results of the race over 3.86 miles which took place at Richmond Park on Saturday. The match was run in ideal conditions over what was a short but testing course. Tom Rann is congratulated in achieving 8th place in the field of 45 runners.

Milos are informed that the Bank AC match which was postponed, is now to be held on Saturday 23 March with a start of 1500 hrs. An instruction will soon be issued for this event.

Our best wishes to all our runners, who are in training for the Fleet Half Marathon and London Marathon.
