

Dear Milos,

Some morning blizzard conditions made travel difficult; for this reason, the number of runners in the field, were less than in previous years. All the Milocarian AC runners are congratulated in running particularly well as a team in what were extremely testing, muddy conditions. OCdt Charlie Austin, of RMAS, led from the start to win the race convincingly despite being chased by two strong runners from Hercules AC. The three leading athletes, were followed by a strong pack of the Milocarian AC runners, which ensured a very convincing team win for the club. My thanks to Capt Frazer Alexander and all the RMAS runners for the excellent support provided in this match. This was a most encouraging result to end the cross country season with. Well done to all the Milos runners!
