

Hello Milos,

The results of the above match are shown below. Congratulations to all our runners on a good win. The final score was Milos 25 points and Kingston & Poly 31 points. Special congratulations to Hugh Aggleton who was running for Milos for the first time. He won the race in the excellent time of 38.57 minutes. Matt Johnson was 4th in his first race for Milocarian AC. Hannah Jarvis is also congratulated on finishing 5th overall and on being the first of the lady competitors. A special mention for Tom Rann and Nick Wood who both scored very well even though they ran an additional 800 m or so owing to a wrong turn. This was an excellent team win.
