

HERCULES WIMBLEDON AC INTER-CLUB CROSS COUNTRY
Wimbledon Common December 13, 2014

The above match took place on Wimbledon Common in bright sunshine. The full result is below. Although the weather was cold, conditions under foot were muddy, which made it difficult for those not wearing spikes. Hercules AC packed well to win the match; the Milos team are congratulated in having 3 runners all scoring in the first 10 places among a strong field of competitors. Particular congratulations are due to Francis Pearce who came third in his first race for Milocarian AC; this was an excellent performance. It was also an encouraging team performance with several runners showing good pace. Milos were well supported by Milocarian AC President, General Keith Spacie and Colonel Peter French, Milocarian Secretary during the 1960s.

Tom Rann is congratulated on being selected by ASICS and Running World Magazine to take part in the Paris Marathon in April 2015. This selection was based on a boot camp that took place in Birmingham earlier in the year. The support provided by Milocarian AC is much appreciated. Tom was selected from the fastest pool of potential sub 3 hr runners.
