

Thames Hare & Hounds - Inter-Club 5 Miles

Saturday 14th February 2015

The match was run in mild conditions over undulating countryside in Wimbledon Common. The running was slippery and wet underfoot. Milocarian AC had eighteen runners taking part who packed well to achieve an excellent result. The team very much appreciated the excellent support provided by runners from RMA Sandhurst. The match was well won with Milocarian AC scoring very well indeed. Congratulations to all the Milocarian AC runners. Particular congratulations are due to O Cdt Steel who finished strongly to win an exciting race against the TH&H leading runner. James Kelly is congratulated on his third place as is Jo Wood on finishing second in the ladies race. The team very much appreciated the support of Milocarian AC, Club President, General Keith Spacie.

The above result is most encouraging. We now look forward to the Ellis Trophy (men) and Dysart Trophy (ladies) matches in Richmond Park on the 7th March.
