

## Saturday 7th March 2015 Ranalagh Richmond Park

The match over a course of 3.8 miles was held in excellent conditions over an undulating course. The runners set off at a very fast pace in a field of some 100 runners. Milocarian AC are congratulated on achieving a fine win to regain the Ellis Trophy. Milos achieved three runners in the first ten places. Robbie Sayers (RMAS) who was running for Milos for the first time, is also congratulated on being placed 2nd in a tight finish.

Milocarian AC had 22 runners competing with 10 runners from RMAS. This was an excellent Milos team effort. We also very much appreciated the excellent support of Brig and Mrs Tony Ling as well as from the several members of the Wyvern Society (King Alfred School, Ploen) who came to cheer our team on. We now look forward very much to the Windsor Park Relays which are due to take place on the 4th July.
