

BA Match Cranford Park 20th March 1030hrs 4.7 miles

Hello Milos,

Due to the Fleet Half Marathon, Milocarian AC fielded a smaller team than normal at this year's annual match against BA AC. The race which started at 1030 hrs on Sunday 20th March, was held in ideal conditions of sunshine with a light breeze. The Cranford Park course, of just less than 5 miles, consisted mostly of dry grassland. The match proved to be very close with Milocarian AC winning by just one point. As there were three circuits, spectators were able to be involved and to provide plenty of encouragement to both teams. Tom Rann is congratulated on a particularly good run in achieving an impressive 1st place in 28 mins 25 secs. Felix Keating was to follow in 2nd place in 30 mins 56 secs. All the team members ran well to achieve essential finishing positions that ensured Milos win. Well done to all the team in responding to the challenge so well. The Milocarian AC team was made up of three male and two female runners. Two of the Milos team were members of ULOTC. This support and involvement is always much appreciated.
