

Kingston & Polytechnic AC v Milocarian AC – Richmond Park – 25th November 2017

The match versus Kingston & Poly AC included a number of runners from Thames Hare & Hounds AC. The race over a 7 Mile course, was run in cold but fine conditions. Milocarian AC were represented by twelve runners which included four female runners. LUOTC provided several team members including OCdt Toby Payne who was running for Milos for the first time. The match proved close and very well contested; the excellent packing by Milos proved to be decisive. All five of the Milos scoring runners, finished within the first ten positions. Toby Payne is congratulated on his determined performance in achieving 2nd place against several experienced runners. Celia Waring is also congratulated on her strong run as the First Lady to finish. Well done to all the Milocarian AC runners; this is another very good performance.

Best wishes
Paul
