

Eight Milocarian AC runners took part in this match versus TH&H AC on Wimbledon Common. The race was run in sunshine over a very muddy 5 mile undulating course. It was clear from the start that the pace would be set by Thomas Greenwood of TH & H AC followed by Hamish Waring and Tom Rann of Milocarian AC. These three runners were to fill the first three places, with other Milocarian runners, Matt Nunn and Nick Barnett Johnston in fifth and sixth places. OTC runners backed up well, providing a good pack which gave Milocarian AC a most encouraging win.

We look forward to another match against TH&H AC at Wimbledon Common later in the season.

Other news to report is that Nick Bennett and Matt Nunn came 2nd and 3rd respectively in the recent BA AC 5 mile race at Cranford Park. Well done to both. Well done also to Hamish Waring who was third in the Kingston & Poly nine mile race in Richmond Park last weekend (See Articles & Stories web page).

Milocarian AC are delighted to know that 2Lt Katie Olding of LUOTC, has been selected to run for the Army. Katie recently ran in the Army Cross Country Championships at Minley, where she was placed sixth. Many Congratulations to Katie on this success!
