

**February's Second Sunday Match**  
**Thames Hare and Hounds v Milocarian AC (plus others)**  
**Wimbledon Common 6 Miles**

Milocarian AC had a turnout of twelve runners, to put on a very good team performance in the damp, muddy conditions. The team packed well to have three runners in the first five places. Hamish Waring is congratulated on another strong run to finish first over all. Rory Jordan led the field for nearly all the race but was unfortunate to take an incorrect turn close to the finish. He was placed third in another excellent run. To have six Milos runners placed in the first ten was most encouraging. With eleven scoring in the match it gave the opportunity for several new runners to contribute to the overall result. Milocarian AC were delighted to have Myles Jenkins, Ben Bowley, Marcus Butler and Kristen Edwards, running for our Club for the first time. Welcome to all the new runners!
