Richmond Park 4.5 Mile Cross Country

18th January 2020

'The 4.5 mile race, which started near the Roehampton Gate, was wet under foot, making the wearing of spikes essential. Otherwise the match took place in ideal running conditions of very welcome sunshine. After the initial steep climb, the field of some 90 runners settled down with Ranelagh AC dominating. Max Walker of Milos who was running for the club for the first time, ran very strongly to come second in a close, tight finish. This was a really excellent introduction to the Milocarian AC. Congratulation to Max and also to Rory Jordan, on his strong run, to finish in fifth place. It was encouraging that all the Milocarian AC members ran well for the team to finish second of the eight teams involved. In addition to Max Walker, we welcomed Andy Ward of ULOTC, who was running for Milos for the first time. Hannah Karas ran a good race to finish fifth of the ladies taking part. Well done to all our runners!

The Committee wish all our members who are taking part in the Army Championships at the end of January, the very best of luck!. I look forward to seeing you there'.

Best wishes

Paul French
