

Dear Milos,

Below is the team result of the above match versus TH&H AC; this event was held on Wimbledon Common on Sunday 13th Feb 2022, in good running condition over a 5 mile undulating course. The Milos team packed very well indeed with six runners finishing in the first nine places. Alistair McMaster of TH&H ran strongly from the start to win in a time of 30.51. Freddie Strachen, Tom Rann and Rory Jordan of Milos filled the next three places with another Milo, Andrew Reeves finishing in sixth place. Jessica Lutwyche and Cella Waring, who finished over all in 7th and 16th places, are also warmly congratulated on being placed 1st and 3rd Ladies.

The above was a most encouraging performance by Milocarian AC and augers very well indeed for the challenging match due to take place at 1430 hrs on the 2nd April 2022 in Richmond Park when both the Ellis Trophy plus the Dysart Ladies Trophy are to be contested in the match hosted by Ranelagh AC. The match over an undulating course of 5 miles is to be contested by several London teams. Full details will be issued in good time regarding this key match.

It is requested that Milos team members give this particular event of 2nd April 2022 their maximum priority.

Well done Milos on an excellent performance!

Best wishes

Paul French
