

The Terry Lewins Trophy

Milocarian AC Home Match - Saturday 28th October 2023

Match Race Report

Last Saturday we hosted a large field of around 75 runners from across the South East at Sandhurst. Competitive teams came from Sandhurst Joggers, Thames Hare and Hounds, Runnymede, British Airways and Bank of England. The 6 mile course was superbly organised by Maj Iain Rutherford and took in all our Sandhurst favourite sights - New College Polo Pitch, the Centurion on Victory College Square, Monkey Puzzle Hill and the assault course, Beagle gate, FOB William with associated hill, the Wishstream and then back to Beagle Gate and in to the finish. All runners were treated to the unexpected obstacle of the Barossa herd of Belted Galloway cattle meandering around the course. We were made to feel extremely welcome throughout by the Academy. TH&H come in strength, winning the male team trophy and Ranelagh AC won the Ladies Trophy; both are to be congratulated. James Hoad from TH&H won the top male trophy with Tom Rann running extremely strongly to be the top Milo. Serena Carter, also from Thames H&H won the Lady's Trophy with Jessie Rowlands the top Milo. Brilliant work by all!
