

**INTER-CLUB RACE - Ranelagh v Milocarian AC and The Stragglers**  
**2nd April 2022 - 4.5 miles Richmond Park**

**The Ellis Trophy Match In Richmond Park, took place on a revised route due to some recent temporary Park conditions. The three teams of Ranelagh AC, Milocarian AC and Sragglers AC set off at a brisk pace across the attractive undulating course, in ideal conditions of firm ground and sunshine. Frederick Strachan led from the start with Andrew Reeves and Tom Rann in close pursuit. Tom managed to take the lead in the final few hundred meters up a testing gradient and then managed to keep ahead of Frederick to finish in first place. To have two Milos runners in the first two places was most encouraging. Andrew Reeves and Jessica Ludwyche also did well to finish 5th and 9th respectively, to form a good Milos scoring group. Jessica is congratulated in being placed in first place in the ladies race. With Felix Keating and Nick Wood then finishing in 16th and 18th places, Milocarian AC completed a good win to beat Ranelagh AC by six points. Many Congratulations to the Milos, on Winning the Ellis Trophy!**
